

EXECUTIVE MASTER IN **INTERNATIONAL ASSOCIATION MANAGEMENT**

In partnership with

Solvay Brussels School presents its Executive Master in International Association Management

Dear AC Forum members,

Solvay Brussels School is pleased to announce [the 2023 edition of the Executive Master in International Association Management \(EMIAM\)](#), in partnership with AC Forum, the Federation of European and International Associations (FAIB), Visit.Brussels, Visit Flanders, European Society of Association Executives (ESAE), Wonderful Copenhagen and Union of International Associations (UIA).

Solvay's Executive Master provides a **targeted, pragmatic, and action-oriented curriculum focusing on the specific challenges facing the association sector in today's economy**. It empowers the participants to develop into **efficient and effective leaders** with a keen understanding of the economic, managerial and political landscape as well as **practical skills** in the management of international associations.

It is spread into **6 modules**, each dedicated to a specific aspect of association management, namely Leadership & Change, Strategy & Change Management, Strategic Marketing & Communication, Project Management, Finances, and Governance & Sustainability.

If you would like to receive information about the next session of the Executive Master, which will begin in April 2023:

- Visit the [programme website](#) and [download the brochure](#)
- Contact the programme Manager, Yixia Xia at yixia.xia@solvay.edu
- [Register for the online info session](#) on January 19th, for a comprehensive presentation of the programme with the Academic Director. (Sequent dates are to be found through this link as well)

Early-Bird Discount: Benefit from -10% until 12/02/2023

Please note that EMIAM partners benefit from an extra 10% discount upon registration to the programme.

We remain at your disposal to discuss your continued education plans in international association management.

Cordially,

Philippe Biltiau
